IN A NO DISTANT FUTURE...

...substantially stipulated

Local Slavegirl News

One of the prettiest young girls of our small town, Margaret Sweetie (18), Maggie to her friends, was sold to her schoolmate Peter Stevenson as a slave last Friday. Her young owner stated that she will be used as a pet and a full-time cocksucker slavecunt.

In the year 2022
many countries passed the
'Compulsory Female Slavery Law'
that enabled sexual-use and trade of
nubile women over 18 years of age

When a girl reaches slavery age,
she can be bought and sold,
and be used in every way
imaginable like a property...

Young attractive girls become
lucrative investments for their parents
with their ever increasing value.
Many with money problems
sell their daughters to
slavetraders and private citizens.

A few weeks after receiving his first
slavegirl Maggie as a birthday gift,
high-school student Peter is delighted to get
his hands on another gorgeous young thing,
while the rest of the poor young damsels
in the school are aggresively
shared among the boys like they
were scared puppies in a dogpound.
